The Vintage

The 2014 vintage was rather exciting. We feel very fortunate to have brought in such fantastic grapes in a year that was marked by severe drought and a significant earthquake here in Napa just as harvest began. The weather throughout the growing season was absolutely perfect, with our classic warm days and cool nights. We brought in grapes from each block as they reached ideal ripeness and have produced wines of truly exceptional quality.

The Wine

Influenced by the foggy mornings of the Oak Knoll District, the aromas of our Pinot Noir start with violets, plums and cherries and linger with hints of mushroom and tobacco. The palate is velvety and filled with raspberry, caramel and earthy characteristics of mushrooms and spice.

Food Affinities

The ultimate food pairing wine, Pinot Noir shines with leaner meats, poultry and sausage. The wine is uplifted with earthy flavors like truffles and mushrooms. Complement with coriander, rosemary, thyme, tarragon, cinnamon or allspice.
