Al Fresco Flights: Trefethen Family Vineyard

A stunning setting, expansive gardens, vineyard views come together at Trefethen Family Vineyards, one of Napa's pioneering wineries. The gorgeous grounds make social distancing a breeze and four new tasting experiences take full advantage of summertime.

Historic Winery & Courtyard Flights offers a choice of four distinct flights of five different wines served at the 19th century winery and in the fresh air of the lovely, adjacent courtyard.

Reserve Tasting with Charcuterie Board features limited production wines and the Reserve Cabernet Sauvignon poured for guests at the Villa where a deck overlooks the

gardens. Cured meats, local cheeses and estate grown preserves complement the wine selection.

Taste of the Estate is the quintessential wine and culinary experience. Served at the Villa, the deck or at a table in the pretty garden, enjoy five of Trefethen's finest wines with sublime bites from Winery Chef Chris Kennedy.

Twilight at Trefethen means making memories. Have the whole estate to yourself for sunset and a summer night to include a private tour, tasting and menu. There's only one table available per evening for this intimate experience.

What to Know: Book by appointment online. Tastings and experiences range from \$30 to \$150 per person. Trefethen Family Vineyards, 1160 Oak Knoll Ave., Napa, CA.
