

Trefethen

2020 CABERNET FRANC

The dedication of the Trefethen family is manifest in every aspect of our operation, from the soil to the table, including sustainable farming, thoughtful winemaking, and gracious hospitality.

THE VINTAGE

The growing season began early after a very dry winter that included only half of our typical rainfall. The summer was sunny and pleasant, our warmest since 2003, and the harvest began a few weeks earlier than usual. The wines from this vintage feature concentrated flavors and our signature brightness on the palate.

THE WINE

Concentrated aromas of cherry and strawberry, layered with accents of vanilla and a hint of graphite. On the palate, silky tannins carry the fruit and lead to a roasted coffee and black pepper finish.

FOOD AFFINITIES

This wine's fine grained tannins and lush earth tones show very well with comparable food flavors and minimal fat, such as dry cheeses and lean or cured meats. Earthy vegetables like squash, mushrooms, garlic, and onions pair exquisitely, as well as fall fruit, like figs and cranberries.
