2021 CABERNET SAUVIGNON

The dedication of the Trefethen family is manifest in every aspect of our operation, from the soil to the table, including sustainable farming, thoughtful winemaking, and gracious hospitality.

THE VINTAGE

The preceding winter, which marked our second consecutive drought year, featured the lowest rainfall total in our entire history, going back to 1968. The vines grew vigorously during the warm and dry spring as the vineyard team did an excellent job with early weed control and irrigation. The summer months, from June through September, were all cooler than average, which slowed down the ripening process and allowed for fantastic flavor development. The yields were lower than usual, given the drought conditions, but the resulting wines are all excellent and reflect our unique location in the Oak Knoll District at the cooler southern end of Napa Valley.

THE WINE

Dark fruit aromas of plum and black cherry are integrated with savory hints of cocoa, pepper and fragrant herbs. Bright on the palate, concentrated cherry flavors are layered with softer notes of vanilla and forest floor.

FOOD AFFINITIES

This wine pairs well with fatty dishes, which will highlight its fine-grained tannins and herbal notes. Winery Chef Chris Kennedy recommends fire roasted dishes and grilled or braised red meats.
