Trefethen

One of Napa Valley’s pioneering wineries, Trefethen Family Vineyards crafts distinguished estate grown wines that express the unique spirit of their land, vines, and people. The dedication of the Trefethen family is manifest in every aspect of the operation, from the soil to the table, including sustainable farming, thoughtful winemaking, and gracious hospitality.

In 1968, when Eugene and Catherine Trefethen purchased farmland just north of the town of Napa, their property—like much of the valley at the time—contained orchards and hayfields in addition to vineyards. Demonstrating an uncanny vision for the future of the valley, they began to plant vineyards across the estate, focusing on the quality varietals that they enjoyed drinking, including a variety that was rather rare at the time: Chardonnay.

In 1973, Eugene and Catherine’s son John Trefethen and his new bride Janet began making wines from the estate, breathing life back into a historic winery on the property. At the Gault Millau Wine Olympics, held in Paris in 1979, the 1976 Trefethen Chardonnay was declared “The Best Chardonnay in the World.” John and Janet built on this early success, finding fans for other Trefethen wines—including Cabernet Sauvignon, Dry Riesling, and Merlot—and their wider efforts played a pivotal role in turning the Napa Valley into the world-class wine and food region it is today.

More recently, John and Janet’s two children—Hailey and Lorenzo Trefethen—became the third generation of the family to steward the estate. Steadfast in their family’s commitment to an ever-deepening knowledge of their legendary Oak Knoll District vineyards, Hailey and Lorenzo help lead a team that thoughtfully refines their winemaking approach, vintage after vintage, building on a legacy of estate grown wines of remarkable quality and integrity.
