THE VINTAGE

The 2024 growing season brought just under 28 inches of rainfall, slightly below our 50-year average but the timing couldn't have been better. Steady, well-spaced rains throughout winter and spring set the stage for a healthy start to the season. Budbreak arrived by mid-March, and stable conditions through bloom led to a balanced fruit set across all varieties. A warm spell in August helped concentrate flavors in our white wines and kicked off harvest roughly two weeks earlier than the previous year. From there, the weather remained steady and cooperative, with one final burst of heat signaling the close of the season. The 2024 vintage kept us on our toes, but the results are exciting—wines that are vibrant, expressive, and beautifully concentrated.

THE WINE

This Chardonnay opens with aromas of orange blossom, Asian pear, and melon, accented by delicate floral notes. The creamy, rounded palate reveals layers of vanilla, orange sherbet, lime zest, and a subtle savory hint of tarragon, finishing with refreshing grapefruit and bright acidity.

FOOD AFFINITIES

The wine's creamy texture and bright citrus notes make it a natural match for fresh coastal cuisine. Pair it with ceviche, shrimp tostadas, or Baja-style fish tacos, where the vibrant citrus, fresh herbs, and delicate seafood complement the wine's lively fruit and refreshing finish.
